# CUSTOM CAPABILITIES

Perfection Chain would like to partner with you on meeting your inventory needs through stocking agreements.

Create product-level forecasts and Perfection Chain will lock in your pricing, while providing reassurance of inventory management and short lead times.

## PURCHASE AGREEMENT

Establish a purchase agreement based on your total, product-level sales forecasts, and we will warehouse it for you.

## INVENTORY MANAGEMENT

We are dedicated to keeping the products you need in stock. We will hold minimum inventory needed at our warehouse.

## SHORT LEAD TIMES

With our up-front agreements, we will release your inventory when you need it.
